

CONSCIENCE FUND

Recently Received a Refund of \$30,000 In One Lump.

Washington, July 19.—Money from the guilty, on its remorseful way to the "conscience fund" in the national treasury, passes over the desk of George R. Cooksey, private secretary of Mr. McAdoo.

Sympathetic and imaginative, and a newspaper writer by profession, Mr. Cooksey can read the mental torture in the briefest of scrawls and the fear, pride and penitence in the longer letters that are often feigned in penmanship and purposely misspelled.

More money is now being received at the treasury from men and women who have cheated the government than at any time heretofore. The total for the year, to the month of May, was \$53,000. In all, the conscience fund amounts to \$500,000. It was started in 1811 with an anonymous payment of \$5 and has grown by fits and starts ever since.

Some weeks ago Mr. Cooksey opened a package untidily wrapped in rough brown paper and smeared with red wax along its seams and found \$30,000 in bills of large denominations. "This amount," wrote the person from whom the money had come, in a letter that was received by the same mail, "makes a sum aggregating \$80,000 which I have sent to the United States, or four times the amount which I stole years ago."

"Conscience" the writer went on to say, "has given me no rest until I have consumed the fourfold return, like Zacchaeus, the publican of old. May every thief understand the awfulness of the sin of stealing is the sincere wish of a penitent." Then seemingly as an afterthought, this line was added to the letter: Let no one claim any of this amount on any pretext.

The work of the Plymouth emigrants was the glory of their age. While we reverence their memory, let us not forget how vastly greater is our opportunity.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

FULLER FILES DAMAGE SUIT

Growing Out of His Arrest at Bluff Spring Last March.

WAS SHOT BY SOME ONE

During a Search Sheriff Was Making For Store Robbers.

A damage suit for \$25,000 was filed in circuit clerk's office yesterday morning by Sam Fuller against Sheriff Jewell Smith, Deputies C. H. Johnson and Lowe Johnson, Jr., and the American Surety Company, of New York, Sheriff Smith's bondsmen.

The petition says that on the night of the eleventh of March, in the neighborhood of Fruit Hill, Fuller was shot in the arm and wounded by shots from the Sheriff's posse. He was arrested by them, the statement alleges, and brought to Hopkinsville, without any care being given to his wound. The posse had no warrant for his arrest, the petition claims. Fuller states that he has lost the use of his arm.

The story of the occurrence which resulted in the shooting of Fuller by the sheriff's posse was brought out in the examining trial held in February before the grand jury in the case of C. B. Pitzer and Bob Johns. No indictment was ever brought against Fuller. It appears from the testimony of the examining trial that Fuller bought a house from C. B. Pitzer and found on the door a "Night Rider" note forbidding him to enter, when he went to move in. He claims he got in the loft in a barn on the place for shelter for the night.

That night the Bluff Spring store, owned by J. B. Adkinson, was robbed. The Sheriff went with bloodhounds and a posse in search of the robber. The dogs led them to the barn. Fuller, according to the witnesses, ran from the barn and was shot.

Sheriff Smith stated yesterday that he did not anticipate any trouble in proving that the sheriff and his posse were innocent of the charges.
